

Welcome to the Tangiteroria Community Complex first newsletter for 2025

Hope this finds you all having had a relaxing time over the summer break.

The Complex has been busy so far this year:

- Recently Dairy Women's Network along with Seales Winslow and AgriVantage held a calf rearing seminar.
- Sport Northland held a Sports Conference with all sports codes in Northland represented.
- Beef and Lamb Focus Group held.
- Burger nights held.

Currently we have the following activities on during the week:

- Pickleball - Monday evening
- Squash – Monday/Wednesday evenings
- Indoor Bowls – summer roll up at 6.00pm Wednesday evening fortnightly
- Yoga – details to come
- Exercise Room – this is available, get in touch to sign a waiver and get a token if you wish to use this facility.

Complex Plans for 2025:

- Your committee will begin work on revising the Constitution (Rules) for the Complex as by April 2026 we need to be operating under the new Incorporated Societies Act 2022. We are currently under the old act from 1908 so there are quite a few changes to be made so that we can be compliant. We will hope to pass this revised set of rules at our AGM in August.

Complex working bee – Sunday 9th March 2025 @ 9am.

Anyone that would like to help out in anyway or has specialist skills you feel could add to our Complex crew we'd like to hear from you, your welcome to come along to our meetings or become a committee member later in the year at our AGM.

Marae fundraiser – Our local marae are fundraising to build a new kitchen and dining room. They have a traditional buy a brick happening to raise funds, see the attached flyer for options to purchase your brick and have your name on it.
