

# Welcome to the Tangiteroria Community Complex

## Newsletter May 2025

The Complex has been busy since our last newsletter:

Alfresco BBQ evening 28 March – was a different way to offer a “Bistro” and we felt was neat to celebrate the outside deck area.

Sarah Searle from Sarah’s Solutions has been running business courses from the complex, and the KDC continue to use our venue as part of their rotation of venues in the Kaipara.

We had our first wedding at the Complex over Easter and the hirers thought the Complex and its options were amazing.

Our thoughts go to the Lambeth Family with the passing of Bill on the 30<sup>th</sup> April 2025 – Bill has been a proud supporter of the Complex and our Community.

### **OUR NEW WEBSITE**

Our new website went live on the 30th April, it was time to upgrade to a new platform, and we received some funding to get the ball rolling. The website highlights our history and where we have come from, links to our Marae and School. We highlight the venue and celebrate our events and stories. Have a look and let us know what you think.....

### **TITO CUP @ TANGOWAHINE 2025**

Keep an eye on the website and our Facebook site for more info on this year’s Tito Cup (June).

### **CATTLE SCHEME**

We would like to thank those who have grazed or reared animals for the Complex. It is still our biggest earner to support the operations of the Complex. Grant West coordinates this scheme so please ring him 021 054 3837 if you have animals on your property or would like to take on a animal.

### **ANZAC DAY 2025 –**

Our Community gathered on Friday 25th April 2025 to commemorate our local soldiers who fought and died in WW1 and WW2 and those that fought for our freedom. We had speakers from our Marae, Complex Committee and Tamariki from our school. It was a proud morning for us and big thanks to our Community, our speakers, Ray Palmer who played the Last Post and those that joined with us in a breakfast. Proceeds from the breakfast will go towards repairs to the plaques on the Memorial Flagpole to ensure we can read those names for many years to come.

### **TRIVIA NIGHT – Saturday 31 May**

Come and join with us for our annual Trivia Night. This year it falls on Kings Birthday weekend.

Great prizes, questions and in an amazing venue too (this year is in the main hall). All proceeds straight back to the Tangiteroria Community Complex.

Doors open 6.30, and Trivia from 7pm. 8 people to a team \$80 a table, bring your own nibbles but we will supply a supper. Prizes for best themed/best dressed team. Bar open.

If your business would like to sponsor for the evening and/ or to secure a table please contact Mel 021772822 or Kirsty 0272727920.

### **WORKING BEE MARCH 2025**

A big thank you to **CPC Fencing Ltd** who did the big end of the work on the boundary fence – very appreciated. Also the community

who came to support the working bee – we got a lot done!

#### Activities at the Complex during the week –

- Pickleball - Monday 6pm
- Squash – please make contact with us
- Indoor Bowls – Wednesday 6pm
- Yoga – Tuesday 6pm
- Exercise Room – this is available, get in touch to sign a waiver and get a token if you wish to use this facility.

The fortnightly Burger nights are very popular – if you have not been to one yet see below for the next one in May.....

December 5th - Burger night  
December 19th – BISTRO

Keep an eye on the Tangiteroria Community Complex Facebook page and our new website for updates or amendments to these dates.

#### Complex Plans for 2025:

- Your committee will begin work on revising the Constitution (Rules) for the Complex as by April 2026 we need to be operating under the new Incorporated Societies Act 2022. We are currently under the old act from 1908 so there are quite a few changes to be made so that we can be compliant. We will pass this revised set of rules at our AGM in August.

Anyone that would like to help out in anyway or has specialist skills you feel could add to our Complex crew we'd like to hear from you, your welcome to come along to our meetings or become a committee member later in the year at our AGM.
