

Tangiteroria Community Complex

Membership 2025-2026

As a valued member of our community, it's time to renew your membership or we would like to extend an invitation to become a member of the Tangiteroria Community Complex. Our Committee has set a fee of \$40 (for a family with children under 18 years old, over 18 years are a separate membership). We have tried to keep this fee as low as possible to encourage community to use the Complex.

Here are a few compelling reasons why becoming a member would be beneficial for you:

****Supporting the Community Facility:**** By becoming a member, you contribute directly to the sustainability and growth of our community facility. Your support enables us to continue providing a wide range of services and programs for everyone to enjoy.

****Participation in Activities:**** Our facility offers a variety of activities including Squash, Indoor Bowls, Badminton, Pickleball, Yoga, Basketball, and more. We ask participants are Complex members and some activities will ask a gold coin donation for Pickleball (eg for racquets/balls etc, Indoor Bowls is a mat fee of \$3). Whether you're a seasoned player or looking to start a new activity, there's something for everyone. Check out our Facebook page for more information on specific programs and schedules. If you're interested in starting a new activity, please let us know, and we'll be happy to accommodate your request.

****Access to Licensed Premises:**** Members have the advantage of enjoying our Burger Nights, Bistros, and community events where beverages are served.

****Exercise Room:**** If you are passionate about health and fitness and interested in supporting this initiative, please do let us know. Your input and involvement will help shape this new facility for the benefit of all members. Please note during private events the Exercise Room and Squash Court may not be used.

****Attendance at General Meetings:**** As a member, you will have the opportunity to attend and participate in our general meetings conducted by the Committee. This allows you to stay informed about facility updates, provide feedback, and actively contribute to the decision-making process. The Committee is run by a passionate group of volunteers.

We believe that by becoming a member, you not only gain access to a wide range of activities and events but also become an integral part of our community, helping us create a welcoming and engaging environment for all. This year we are offering for those that would like to contribute a little more than the required subscription you are welcome to make an extra donation, this was a discussion from our recent AGM.

Once you have paid your membership, should you wish to have access to the Complex please contact Mel 021 772822 or uwmpa2023@gmail.com. If you are a new member you are now required to complete a membership form please also contact me for this.
